President's Note

It's been a beautiful spring – both outside, and inside at our May show! Our Annual Awards Show at Annmarie Garden's Community Gallery was unsurpassed in quality and enthusiasm. 30 members participated to make the show a success. My congratulations go to all the winners. This year, we had so many artists participating in Watercolor/Watermedia that we had to split the category. We continue to add more 3-D artists to our shows and had eight members exhibit 3-D work – a new record! I was so happy to see our new members participating in the show. I hope they enjoyed the experience.

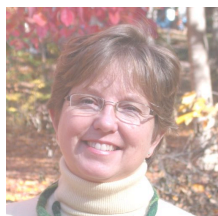

Our judge, Larry Chappellear, gave his all - especially considering the heat at the awards ceremony! Those of us who joined him as he discussed the elements of the winning pieces learned a lot of tips that will help us in our future work. This year the cash awards for winning were increased to the joy of the recipients.

The show would not have been such a success without everyone who pitched in to help. Setting up and taking down the room is not easy but with so many hands, it was a quick process. Thanks to everyone!

At the April meeting we judged our high school senior art competition. This year we had nine entrants, all with fabulous work. The winner, Ty Coyle, is a senior at Huntingtown High School. Ty joined us at the show with his family and he exhibited a broad range of media. Our thanks to Carole Purcell for her important role as coordinator of the art scholarship. She admirably handled the applications, judging and award of the prize. I hope you will join the Guild at its first 2009 paint out on June 6 and at the Solomons Gazebo Show on July 25th. Both events will provide an opportunity to get to know members of the Guild and have fun!

Keep creating!

Cindy

*A Wonderful May
Award Winning Show
May 16-17, 2009*

Again, thanks to all the helpers that made the show a success. Thirty-one artists including the scholarship winner participated in this show displaying a wonderfully diversified and vivid presentation. The judge was challenged to pick winners from such fine competition. Many awards were given in 9 categories as well as Best In Show and Most Popular Choice. The popular choice ballot was offered to the people visiting the show to allow each visitor to vote for their favorite artwork. This voting was established to encourage the public to really look at each work. There was a tie this year for the most popular artwork. The paintings "Fete de la Crevette" by Margot Tomlinson and "Helping Out" by Carmelo Ciancio were voted as the most popular artworks. The other winners are listed in the separate section. All the exhibitors enjoyed talking with each other and seeing who won awards and supporting one another. Congratulations to all winners and participants. Thanks to all. We had a great show and plan to make every May Show an awards show! Start planning your paintings now!

Scholarship Winner

The Guild for many years has sponsored a scholarship for a High School Senior. Thanks to Carole Purcell, Scholarship Chairperson, for her hard work in mailing letters, getting applications, and collecting the artwork. Due to her efforts, we are pleased to announce that this year's scholarship of \$500.00 was awarded to Ty Coyle, a graduate of Huntingtown High School in Calvert County. Ty's artwork of acrylic, pen/ink, depicting his family, and others were chosen the best of all of the applicants. His work shows a tremendous amount of talent and we wish him well in his Career. Congratulations and much success! And thanks again, Carole!

Andrew Newell Wyeth:

(July 12, 1917 – January 16, 2009) On January 16, 2009, Andrew Wyeth died in his sleep at his home in Chadds Ford, Pennsylvania, after a brief illness. He was 91 years old. Wyeth was a visual artist, primarily a realist painter, working predominantly in a regionalist style. He was one of the best-known U.S. artists of the middle 20th century and was sometimes referred to as the "Painter of the People," due to his work's popularity with the American public.

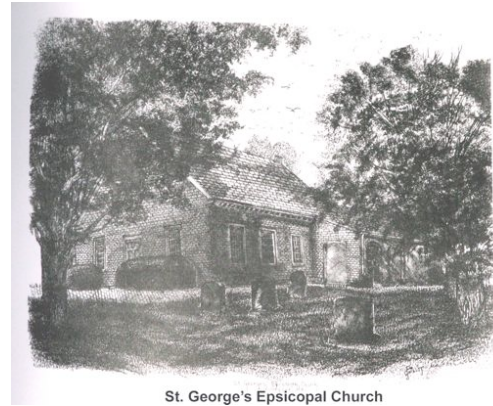

In his art, Wyeth's favorite subjects were the land and people around him, both in his hometown of Chadds Ford, Pennsylvania, and at his summer home in Cushing, Maine. Dividing his time between Pennsylvania and Maine, Wyeth maintained a realist painting style for over fifty years. He gravitated to several identifiable landscape subjects and models. In 1958, Andrew and Betsy Wyeth purchased and restored "The Mill," a group of 18th-century buildings that appeared often in his work, including *Night Sleeper* (1979). His solitary walks were the primary means of inspiration for his landscapes. He developed an extraordinary intimacy with the land and sea and strove for a spiritual understanding based on history and unspoken emotion. He typically created dozens of studies on a subject in pencil or loosely brushed watercolor before executing a finished painting, either in watercolor, drybrush (a watercolor style in which the water is squeezed from the brush), or egg tempera. One of the most well known images in 20th-century American art is his painting, *Christina's World*, currently in the collection of the Museum of Modern Art in New York City.

St. George's Episcopal Church

St. George's Episcopal Church -Pen & Ink by Faith Gaillot

Featured Artist- Faith Gaillot

This month Faith Gaillot is our featured member. Faith says she joined Calvert Artist's Guild because she wanted to get exposure for her artwork and there isn't an artists' guild in St. Mary's where she lives. She has been a member since 2007.

Faith started doing pen and ink with encouragement from her college instructors- Carrie Fickes and Mr. Tusing. They noted her love for detail work and felt she would love working in that medium. Faith says, "Due to lack of interest in pen and ink in this area, I started incorporating watercolor into my work." She also still uses acrylics (mixing and blending colors directly on the canvas), watercolors by themselves, conte crayon and some pastels. Faith notes that she also received a lot of support from Elle Eichenmuller, her former high school teacher.

Inspired by "everything pertaining to boats and water, as well as animal faces," Faith enjoys employing rich detail in all her work. Her favorite watercolor artist is Susan Harrison Tustain because of Tustain's use of detail, and she also enjoys studying work by our own Rex Miller, "who," she says, "makes his colors play on the canvas or paper." Faith says she also loves (CAG member) Linda Rosenthal's use of bright colors in her silk work and eyeglass cases.

"When I get a mental block," Faith notes, "I still do something pertaining to art. I find the best way to beat it is to have several art project lined up so I can go back and forth instead of staying focused on one project."

Faith was formerly in-house artist for Ralph's Dodge (now Prince Frederick Dodge), and received 1 third place ribbon and 3 honorable mention ribbons at the 2007 St Mary's County Fair. She also has done some design work for a travel agency in North Carolina.

Books Faith recommends include: "*Painting Watercolors that Sparkle with Life*" by Agan, *North Light books*; "*Drawing Trees Step by Step*", by Maltzam, *North Lights Books*; "*Art Marketing 101*", by Constance Smith, *Art Network Press*, and "*The Business of Being an Artists*", by Daniel Grant, *Allworth Press*.

Starting this year, Faith will be creating a handwritten newsletter for her clients.
