PREZ NOTES

January 2023

Happy New Year, Everyone!

Your new board has met, and we have a few news items to share. At our December 2022 meeting a small group of members enjoyed our social time with our usual goodies and then our meeting. We elected our CAG Board. Jan Barr, having announced that she was stepping down from the Presidency of CAG, actually did so, and Pam Callen and Lonnie Harkins will be spelling each other this year in that capacity. Iris Hall-Willey agreed to step in as Secretary, and Kate Dinnel once again agreed to stay on as Treasurer. Diane Preus once again agreed to help with publications. Deb Erb has agreed to continue to do our publicity. We are lining up what we hope will be a great year of CAG programming, shows, and members' get-togethers.

We do not plan to send out paper membership rosters as we have in the past, with the by-laws, etc. Printing, especially color printing, is expensive and most of our members are tech savvy and can receive and read and file things like this electronically. An additional advantage is that updates to the roster and the year's plan can be sent electronically quickly and easily.

It is 2023, and we have given our members a sort of "covid grace" not being too exacting about dues, but the treasury's health cannot be assured indefinitely if we continue this practice. Therefore, we do anticipate you will pay your dues as well as all workshop and show fees in a timely fashion. Please note that if you paid your dues in the last three months, we would accept this as payment for 2023. You can use the form on page 2.

See you soon! Pam Callen
