PREZ NOTES

July 2023

Greetings, all you CAG members!

We're more than halfway through the year, and we do have a great schedule for the remainder of 2023. Before we get to that, we had a fair showing of artists (several new to the venue) who participated in the July 22-23 CAG show, which fortunately took place before the worst of the heat set in. Also in July, we had the opportunity to take a workshop with local clay artist Ray Bogel at his own studio! And so on we go to August.

August will allow a few of our artists, along with about a dozen other Southern Maryland artists, to show at the Mattawoman Creek Art Center for 5 weekends (Fri-Sat-Sun) from August 11 through September 10.

On September 10th, in addition to picking up our remaining gallery inventory (any time after 4:00 pm), we have arranged for a plein-air session for those who choose to partake. In fact, the following show will be one that highlights the Mattawoman Creek area. If you want to bring a frame and submit your completed work, that would work very nicely. Also planned for September is our annual "picnic". We have arranged to use the Clubhouse in Asbury/Solomons for September 23, from 10:00 am -2:00 pm. Dishes to share will be appreciated.

October will see another CAG show the 14th-15th, with set up on the evening of the 13th at 5:00 pm.

In November, we have the pleasure of having Pat Morrison back to give a linocuts workshop. Sign up early—it's sure to be popular!

And, finally, in December, on the 9th, we will have our December meeting and holiday party, also at the Asbury/Solomons Clubhouse from 10:00 am -2:00 pm, at which time new officers will be elected for 2024. Contributions of food to share will once again be appreciated.

Wishing everyone a cool and artistic finish to your summers, and hoping to see you at an event soon.

Pam

ADDITIONAL NOTES ON MATTAWOMAN CREEK ART CENTER SHOW

Gallery hours on show dates are 11:00 am-4:00 pm. The show will take place Friday-Sunday, August 11, 12, 13 (artist reception on the 13th 1:00-4:00 pm), August 18, 19, 20, 25, 26, 27; in September it will be September 1, 2, 3, 8, 9, 10, with a plein air event on the 10th. Work may be removed after 4 pm on the 10th, or the following day, late morning-early afternoon.

I will appreciate those who wish to help greet guests at the gallery any of those days. Jewelers should coordinate to make sure tables are monitored in the gallery. I will also be happy to help with that. Pam
